NOTES FOR EDITORS:

About Chariot

Chariot is an Africa focused transitional energy group with three business streams, Transitional Gas, Transitional Power and Green Hydrogen.

Chariot Transitional Gas is focused on high value, low risk gas development projects in Morocco, a fast-growing emerging economy, with a clear route to early monetisation, delivery of free cashflow and material exploration upside.

Chariot Transitional Power is focused on providing competitive, sustainable and reliable energy and water solutions across the continent through building, generating and trading renewable power.

Chariot Green Hydrogen is partnering with TEH2 (80% owned by TotalEnergies, 20% by the EREN Group) and the Government of Mauritania on the potential development of a 10GW green hydrogen project, Project Nour in Mauritania, and are progressing pilot projects in Morocco.

The ordinary shares of Chariot Limited are admitted to trading on the AIM under the symbol 'CHAR'.
